KC PUBLIC SCHOOL CELEBRATES 19TH ANNUAL DAY

The 19th Annual Day of KC Public School was celebrated on Sunday, December 10, 2017 at the Zorawar Singh Auditorium of Jammu University at 2 p.m. About 1400 parents and invited guests were present on the occasion.

The function was presided over by Shri Lal Singh, Minister of Forests, Ecology & Environment, Government of J&K. It began with lighting of the ceremonial lamp by the Chief Guest followed by an invocation dance dedicated to Lord Ganesha. Principal Amarendra Mishra delivered the welcome address. The next item was a musical composition by students of senior school based on the work of legendary musical genius Ustad Nusrat Fateh Ali Khan. It was a combination of vocal and instrumental music praying for peace, brotherhood and harmony on Earth. It was followed by presentation of a report by members of Students' Council on various activities of the school during current academic year.

The report was followed by an English dance-drama '*Alice in Wonderland*' performed by students of Class V. The play was the dramatized version of a fantasy novel written by Lewis Carroll in which a girl named Alice falls through a rabbit hole into a fantasy world populated by anthropomorphic creatures. The play, presented in Broadway style, earned vociferous applause from the audience.

After the English play, Chief Guest gave away awards to students for their achievement in academic, sports and extra-curricular activities. The Chief Guest in his speech congratulated the school for its achievements and appreciated the quality of education being imparted to the children of Jammu.

In his thanks-giving speech, Chairman of the school Raju Chowdhary dwelt on the educational ethos of the school envisioned by his father Shri Sudarshan Mahajan two decades ago. He shared his resolve to sustain that ethos with complete commitment and dedication.

The concluding item of the function was a spectacular dance-drama '*The Legend of Mother Ganga*' in Hindi presented by more than 300 students of senior school. The theme of the play revolved around the issue of environmental conservation, brought forth the significance of water as the most precious natural resource on planet earth and underlined the need to conserve it for future generations.

The function concluded with the National Anthem.

ROUND SQUARE CENTRE INAUGURATED

KC Public School is the only school in Jammu & Kashmir to be granted membership of Round Square — a prestigious association of 180 exclusive schools from all over the world who strongly believe in the educational philosophy of Kurt Hahn based on six IDEALS, namely, Democracy, Internationalism, Environmentalism, Leadership, Adventure and Service.

A newly constructed Round Square Centre on school campus was inaugurated on Dec 27 with a simple ceremony attended by invited parents and presided over by Shri Manav Gupta, KAS, as the Chief Guest. Also present on the occasion were Chairman Raju Chowdhary and School Managing Director Arti Chowdhary.

The ceremony began with cutting of the ribbon by the Chief Guest at the entrance to the Centre which houses a photo gallery displaying creative work of students and a well-equipped hall used extensively for orientation and training programmes for students and staff and for holding live video conferences with partner schools from all over the world under the aegis of the Round Square and British Council's International School Awards programme.

The Head Girl of the School Akshita Mengi welcomed the Chief Guest and the invited parents to the function, expressing feelings of joy and pride on being a student of a Round Square school. After her welcome address, students of the school who have attended numerous Round Square regional, global and international conferences and MUN sessions during 2017 presented their views and experiences and were equivocal in their opinion that the Round Square experience had made them acquire and appreciate a wide range of skills which are well defined in the Round Square Discovery Framework (RSDF).

In his address, Mr Gupta congratulated the school and its students for their achievements through Round Square and wished them well in their future association with top schools from across the globe.

Ribhav Mittal, Round Square Prefect of Students' Council, thanked the Chief Guest, members of management and parents for their presence at the inauguration function. The function concluded with the National Anthem.

JUNIOR WING ANNUAL FESTIVITIES 2017

KIDDOFEST & NIMBLE FEET FITNESS FEST 2017

With more than 700 children of classes PV to IV taking part in the 5th Edition of Nimble Feet Fitness Fest & Kiddofest 2017, the annual season of festivities at Junior Wing came to a close in November on the beautifully embellished outdoor arena of their school. The theme of this year's edition of the Fests was 'SIX IDEALS OF ROUND SQUARE'. In addition to an impressive parade on the RS IDEALS, children entertained their parents with an array of well-rehearsed performances on physical fitness and agility such as Creative Dancing, PT Display, Martial Arts, Yoga & Roller Skating. Musical compositions accompanying all performances were related to some of the tenets of Round Square Discovery Framework (RSDF). Sunaina Mehta, (KAS), Sub Divisional Magistrate of Akhnoor and a parent of the school, presided over the function as Chief Guest and complimented the children and their teachers for putting up a grand performance while addressing the audience.

COMMERCE STUDENTS ORGANIZE 2ND EDITION OF HIVER FEST 2017

Students of KC Public School pursuing Commerce stream of studies in class XI organized the 2nd edition of 'HIVER FEST 2017' on the school grounds on December 22 to give practical shape to their studies in entrepreneurship as part of their course curriculum consisting of Business Studies, Accountancy and Economics. The entire class was involved in planning and organizing the Fest.

Emulating the role of start-up entrepreneurs, they decided to raise the capital for the enterprise through personal fund raising and by arranging sponsorship for the event. They also decided to sell entry-cum-lucky draw tickets as part of their capital raising campaign. It was a practical and hands-on experience for them about marginal efficiency of capital and expected returns from their investment. The Fest was set up keeping in mind the demand of the prospective consumers in the shape of all other students of KCPS. With a view to maximizing sales, the prices of commodities and services on sale such as food and games were fixed with minimum profit margins.

The Fest turned out to be quite successful as all the students of the school from class 1 to 12 enjoyed themselves at the venue on a sunny and warm day. All the stalls offering food and skill games were heavily crowded. A rock band on stage and a juke-box on demand gave the event a festive appearance. Banners of major sponsors formed the backdrop of the main stage on which lucky draws were announced at the end of the event.

Mrs Arti Chowdhary, Managing Director, and members of Management Mr Arjun Chowdhary and Sidhant Chowdhary graced the occasion with their presence and gave away awards to lucky winners.
