ROUND SQUARE VIRTUAL MEETINGS ATTENDED BY KCPS STUDENTS IN APRIL 2026

Zoom Postcard Meeting
Hosted By : Scarsdale High School
Theme: Stress : Is Technology Helping or Hurting?
Finding Balance!

Dated : 15 April, 2026
Adult Delegate : Ms. Sonia Sharma
SIX KCEANS attended the meeting.
Here are the takeaways from student delegates :

 "It helped me understand how technology can both support and sometimes increase stress in our daily lives and how important it is to maintain a healthy balance." Harshita Rajput, 12 H	 "Technology is not just a tool, it is a force that can either heal or harm, and its impact depends on how wisely we choose to use it." Pearl Dutta, 12 H
 "Balance comes from taking time to pause and reset, allowing the mind to manage stress, regain clarity and stay steady in the midst of a busy and demanding life." Bhavishika Dogra, 12 D	 "Technology is a useful servant but a dangerous master—balance is the key to keep stress away." Divyanshi Sharma, 12 H
 "Technology isn't merely a convenience; it's a powerful influence that can uplift or overwhelm, depending on the choices we make while using it." Yatin Bhat, 12 H	 "It showed me that while technology can simplify life and boost productivity, overuse can lead to burnout, making balance and mindful usage more important than ever." Qudsia Zohab, 12 H

In the new academic year 2026-27, our students have started taking part in the virtual online meetings on various themes.

IMPRESSIONS OF KCPS STUDENTS ATTENDING ZOOM MEETINGS & LABS : MAY 2026

As a Round Square school, we attend practically all online Zoom Meetings & Labs hosted by other Round Square schools from all over the world. The themes of these online interactions are diverse and thought-provoking.

Zoom Postcard Meeting
Hosted By : St Stithians Girls' College
Theme : Cultural Exchange : Empowering the Youth

Dated : 13 May, 2026
Adult Delegate : Ms. Pooja Chaturvedi
Seven KCEANS attended the meeting.
Here are their reflections.

I realized that culture is more than traditions; it shapes our values, identity and perspective. Indian culture has taught me the importance of staying rooted, respecting others and embracing diversity. It has also made me believe that the world needs more curiosity, understanding and empathy to truly appreciate each other's differences.
Aseemta Gupta, 12 H

Students gained cross-cultural awareness of shared youth struggles, strengthened communication skills and deepened leadership perspectives through global dialogue on mental health, social pressures and cultural identity.
Ashinya Sharma, 11 H

Attending the cultural exchange conference on youth empowerment helped me embrace global perspectives, celebrate my own culture and strengthen confidence, communication and leadership skills through meaningful cross-cultural dialogue.
Medhavi Arora, 12 C

Representing my school at this platform strengthened my confidence, broadened my perspective on global citizenship and inspired me to actively engage in meaningful international dialogue.
Vanshika, 11 D

It helped me explore cultural stigmas and youth challenges, while strengthening my confidence, empathy and commitment to creating positive change through diverse perspectives.
Mrigaanka Bhat, 11 C

'Culture is the widening of the mind and of the spirit.' The session deepened my understanding of how culture shapes youth voices, while meaningful dialogue on gender equality and freedom of expression strengthened my awareness of rising opportunities for women and the importance of inclusive leadership.
Shreedha Gupta, 11

It broadened my understanding of culture and identity, encouraged respect for diverse perspectives and inspired me to embrace youth empowerment and social responsibility to positively impact my community.
Rishika Mahajan, 11 D

Round Square Geography Lab
Hosted By : SEK International School Ciudadcampo, Spain
Theme : Tourism : Boon or Burden?

Dated : 14 May, 2026
Adult Delegate : Ms. Shubangi Bakshi
Four KCEANS attending the meeting.
Here are their reflections :

Tourism is a boon that requires sustainable management to prevent it from becoming a burden; it is an incredible tool when it serves the destination's environment and people, rather than solely the visitor's desire.
Validang Partap, 12 H

Tourism is a boon that makes people get attracted to different places but making it worst with the plastic is like harming the tourism but making a small change can make tourism much better and attractive.
Arshiya Pawar, 12 H

The meeting made me look back to every time I had been on vacation with a changed eye. It is essential we contribute to the boon and not be a burden to any place.
Anushka Sharma, 12 H

It enhanced my understanding of global perspectives on tourism and improved my communication and critical thinking skills. It also gave me the opportunity to collaborate with students from different countries and develop ideas for sustainable tourism.
Harshita Rajput, 12 H

Zoom Postcard Meeting
Hosted By : The Millennium School, Dubai
Theme : Are You Training AI or is AI Training You?

Dated : 13 May, 2026
Adult Delegate : Ms. Neelakshi Sadhotra
Five KCEANS attended the meeting.
Sharing their reflections.

It deepened my awareness of AI's shared responsibility, inspiring mindful use of technology and strengthening my confidence through diverse global perspectives and meaningful dialogue.
Kavit Kour, 8 B

I got to learn more about AI and about our internal biases. Overall this conference was interesting and I would like to participate in more.
Aadhika Bhat, 8 B

It enhanced my understanding of AI's impact on daily life, inspiring mindful use of technology and motivating me to engage in more such enriching global discussions.
Aradhita Sharma, 9 C

The conference enriched my understanding of AI and internal biases, while connecting with diverse cultures and inspired me to think critically and motivated me to participate in more global discussions.
Pratham Bargar, 8 B

It deepened my understanding of how human choices and biases shape AI, inspiring me to use technology more responsibly and thoughtfully for a fairer future.
Medhansh Sharma, 9 C
